

[A Guide to The Band Bucks Fundraiser](#)

The NOHS Band has been using “Band Bucks” as a scrip fundraiser for several years, but many members are not sure what Band Bucks really are. To put it simply, Band Bucks are gift cards.

Each month the Band Boosters place an order for requested gift cards with our supplier, Great Lakes Scrip Center. Each gift card purchased carries an associated contribution of 2%-15% (sometimes more). Profit is made from the contribution amounts that the merchants donate back to our organization. For example:

\$100 gift card for Chili’s Bar and Grill carries an 11% contribution.

\$100 gift card for Giant Food Stores carries a 4% contribution.

If a member purchases each of these gift cards, a profit of \$15 is earned. The profit is split evenly between the individual member making the purchase and the Band Booster organization.

Purchasing gift cards through the band for your favorite retailers and using them in place of cash for purchases you plan to make any way, is a great way to build funds in your child’s account and also help the entire organization without spending an additional penny!

Band Buck orders are due by the 1st of each month and are available for pickup by the date of the monthly Band Booster meeting. (**Except July; orders are due 7/11 for pickup week of 7/25**). An order form is available on the band website and in the band room. The form shows the normal contribution rate for each retailer.

To place an order using this paper form, simply mark which cards you wish to purchase and return the completed form and payment (payable to NOBB) to Mr. Rohrbaugh no later than the 1st of each month.

You can now also register to place your Band Buck order online. Great Lakes Scrip Center has a user-friendly, web-based tool called ShopWithScrip.com which provides a fast, easy, and more accurate way to pass order information to the band’s scrip coordinator.

To register for online ordering:

1. Go to shopwithscrip.com

2. Click on the "sign up here" option
3. Enter a user name and password
4. Complete remainder of registration form.
5. Make sure to enter "student name" to ensure proper credit given to child's account.
6. Accept terms of website
7. Provide enrollment code of B4L87B1B9L39 (enrollment code links your account with the New Oxford Band Boosters). Make sure our organization shows on your account after entering this code.
8. Place order at your convenience. Orders can be entered online at any time. They will be filled with the NOBB's next scheduled order. Payment needs to be forwarded to Mr. Rohrbaugh by the 1st of the month.

Shopwithscrip.com does provide an option to pay online through "Presto Pay". This is a tool from their company which provides an opportunity for you to link your bank account information to your shopwithscrip account. They do charge a small convenience fee for this.
