

New Oxford High School Band Booster Fund Raisers

This sheet provides basic information about the fund raisers organized by the NOHS Band Boosters for students that participate in the NOHS Band program (musicians and color guard). These fund raisers are held annually, however the number of times a fund raiser occurs each school year will vary depending on whether or not it is a 'big trip' year. For example, during a 'big trip' year, there are typically three (3) Shultz's Sales scheduled whereas normally there would only be two (2) Shultz's Sales scheduled. It is important to note that a student is **NEVER** obligated to participate in any of these fund raisers. It is the choice of the student (and parents) as to whether or not they will participate.

90% of the profit from items sold from participation in the "Student Fund Raisers" goes into each student's account. The additional **10%** goes toward the annual operating budget of the NOHS Band Boosters. Money earned should be used to pay for debts relating to participation in the NOHS Marching Band (shoes, t-shirt, band jacket, etc.) or the cost of a Band Trip.

STUDENT FUND RAISERS
