Additional Championship Information

Tickets

Ticket prices are higher for championships due to the costs involved with renting the larger venues in Allentown and Hershey. Please plan accordingly.

Parking

Parking is a challenge in Allentown because this stadium does not have a parking lot or reserved parking just for spectators. There is only street side parking. Also, Linden & Turner Streets are closed for band bus and trailer parking. Spectators often elect to park by the Allentown Fairgrounds or pay to park in private lots around the stadium. There are also a few small lots at the far end of the park but that involves a pretty long walk. **Handicapped Parking** is limited and available at Gate 3 on Turner Street. Placards must be visible to park in these areas. Handicapped patrons can be dropped off at Gate 3.

Video

Please note that there is no option to purchase a professionally made video and due to Federal Copyright Law, you may **NOT** record this event (audio or video) using any personal device. We are only permitted to have 1 representative of the program make a video and that video will go up on the Band website sometime after championships. Note: If you are caught recording a performance, the recording will be deleted and you will be asked to leave the stadium by stadium security.

Pictures

Jolesch Photography will be taking group photos when we are done performing. Students do **NOT** need money for this at that time. All ordering can be done online.

Candy Grams

The New Oxford Band Boosters are selling Candy Grams **AT SCHOOL** all week. Please take advantage of this instead of at the stadium. This way all profits go back into our program!
